Attendees:

Yasser Enan

Dr. Ahmed Ibrahim

Omar El Kordy

Dr. Irhabi (for first part of meeting only)

Sheikh Irhabi Business

- Da'wa committee (thru Ron) was asking about a visit by Dr. Irhabi and Sh. Mamdouh to another location. Sheikh was unfamiliar and was also busy on Thursday.
- Sr. Yasmeen asked the Sheikh to participate in Interfaith. He is unfamiliar and feels unprepared. Sheikh wants these requests to be organized so he knows which to accept and which not.
- Sheikh wants to build bookcases inside the main hall for Sunday school
- Based on community feedback, Friday lectures need some division between older and younger audiences, so the sheikh can lecture to adults. Youth need a coordinator. Babysitting would also help.
- Sheikh is concerned about making individual decisions - Dr. Ahmad is liaison for now until the education committee is working as designed.

Regular Business

- D. Irhabi's Sunday School booklet approved by ISGH. Dr. Ahmed will order the book. Follow up on items introduced by Dr. Irhabi until completed
- Operations: Fire alarm box needs to be made. October program approved. Meeting with Sr. Crystal needs to be scheduled. Need follow up on media manager job description and advertising.
- Masjid budget running a deficit. Thinking to begin charging for advanced classes (e.g. Ijaza class). Dr. Ahmed will draft a communication to the community.
- Construction update: Bids are available. E-mail went out summarizing status. Recommend using current funds for bare minimum building opening (concrete pad, electricity, Fire Marshall, certificate of occupancy). Collect more money once the building is open. Think about fundraising at other mosques. Send community clarification e-mail on funds spent and needed.
- Cleaning schedule - continuous follow up needed to adhere to the schedule
- Thanksgiving interfaith: Get a fatwa because it could be considered a religious event. Yasser will ask Dr. Salah El Sawy as ISGH committee chair.
- New business: need to update phone numbers next to key pad.
